RE: Letter of reference

Dear Mr. Brian Peachey

I wanted to let you know that your company has done an outstanding job on multiple projects over the last couple of years for me. The professionalism far exceeded my expectations as did the work that was performed. Please pass along to your crew leaders and Mr. Robert Browning, my thanks, for all their help in these projects. It is rare to find a company so easy to work with on scheduling and accommodating the needs of my communities. It is also hard to find companies that take pride in their work and follow through to make sure things are done correctly. Your knowledge in this industry is a huge asset to your company, so keep up the good work. I look forward to working with you on future projects.

Best Regards,

Lance Parmalee C.A.M.
